"Evil Bong" (2006) is the first of a long movie series.

It follows a group of young adults who buy a cursed water bong. It sucks in & traps their souls into a killer titty bar. This movie is fun, although a bit messy. It gets a 10/10 for concept & 8/10 for execution.

POEM: "My Girlfriend Diego"

My girlfriend is tall
My girlfriend is Samoan
I drive him to the mall
He clings to me like protozoan

My girlfriend is 6'4
& dresses like a whore
Eyeliner & thigh highs
showing off to emo guys

My girlfriend is a posur
He listens to blink
& another gay composer
Than drowns in his sink

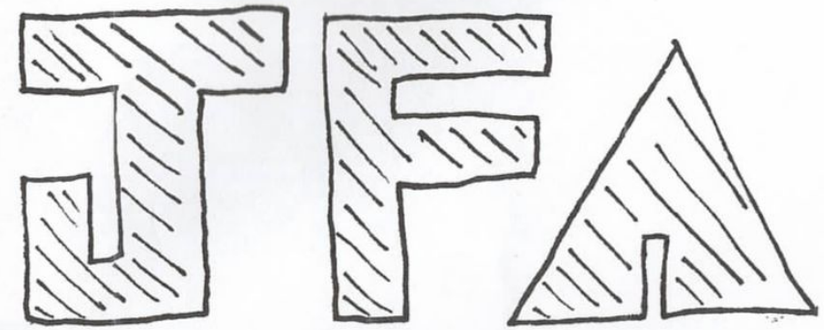
My girlfriend is in college like Milo
He is going to advance
I beg him on the down low
To take off his (XXXL) pants

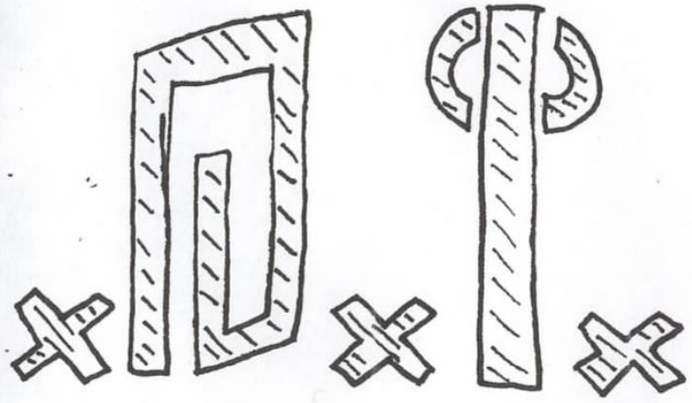
To boarder patrol I plea,
Dont take my girlfriend
away from me.

FUN FACT:
Due to being perfect, Crocodiles have evolved Very little over time.

FUN FACT:
Epileptics Often urinate themselves durring seizures.

I HAD SEX WITH PLAGUE LORD!

By Plagina Lord




"I had sex with that plague Lord guy. My God, he's perfect in bed. The way he moves his succulent hips is so romantic & professional. He has sex like a pole vaulter. His penis is so immersive. I couldn't get enough of his phallic ways. He made me cum several (7) times. What a man. Ladies, do yourself a favor & get on his cock. It's the best thing you'll ever experience. Then, fellow ladies, we can go get our womanly nails done & watch twilight & admire our vaginas & their beautiful "pussy pink" color.
